- Call 664-9000, choose option 1 for HR/APS support and follow the prompts.
- Email hrapscesshelp@berkeley.edu.
- Go to blu.berkeley.edu and click on Campus Shared Services. Then click on “Submit Ticket Here.”

CSS HR partner: Najah Trotty (ntrotty@berkeley.edu; 664-9786). CSS HR forms: [http://diversity.berkeley.edu/forms](http://diversity.berkeley.edu/forms)

### Transaction Type

| You need to:                                      | Send job description and classification request to Najah Trotty (be sure to cc Chris Mount). Najah will forward to central HR. (A position must be classified by central HR/Compensation and funding must be approved internally.) If creating a new student position, be sure to identify whether the position will be work study or non-work study. | Work-Students Students CSS will post new work-study listings or repost job listings. If you have a work-study eligible student to refer to a specific job, CSS will contact the student and initiate the referral process. Complete the Student Recruitment Form if:
1. It’s a new work-study position, or
2. There is a change to an existing position. If you have an existing posting number, and no changes need to be made, you don’t need to complete a recruitment form. Simply open a ticket with HR/APS to request reposting. (If ready to hire, follow hiring instructions.) |
|                                                    | Complete the appropriate Appointment Form (Staff or Student). Include the following:
- résumé
- job description and PEM
- other required documents (e.g., IOC Form for criminal background check) Submit all items via a HR/APS ticket with a cc to Najah Trotty. CSS will contact your new hire to schedule a hiring appointment and will update you with the status of the hire. |

### Benefits

- Contact CSS for any benefits questions/issues.

### Leaves Administration

- Employees: Open an HR/APS ticket with CSS.
- Supervisors: As soon as you become aware of a situation in which an employee might require a leave of absence, complete the Leave Form (if applicable) and forward to Najah Trotty.

### Hiring

- Complete the appropriate Appointment Form (Staff or Student). Include the following:
- résumé
- job description and PEM
- other required documents (e.g., IOC Form for criminal background check)
- Submit all items via a HR/APS ticket with CSS.
- Complete the Staff (or Student) Recruitment Form and submit a Request for Exception to the Hiring Freeze. If you are unable to submit documents via email, please indicate your Dept in subject line. This method will generate a confirmation email to the sender. However, if you do not have access to a scanner you may fax the timesheets to 664-9300. (Please indicate your Dept in subject line.) This method will generate a confirmation email to the sender. However, if you do not have access to a scanner you may fax the timesheets to 664-9300.
- Submit all forms with approvals and job description to Najah Trotty.

Requesting IT Support

CSIT now provides IT support to all E&I staff. This includes computer support (setup, troubleshooting, security issues, device moves, printer configuration), application support (Adobe Suite, Microsoft Office, B Connected, BearBuy, E&I RAIRs, CalTime, CalPlanning), general IT support (including phones and network), and equipment purchases. Please note: CSIT does not support E&I program-specific databases (like Fishbowl, SCARAB, and Quincy)—please contact your local staff for those systems.

There are multiple ways to open a ticket to request help:
- Go to sharedservices.berkeley.edu and click on Submit a ticket (see below for a detailed walk thru)
- Call 664-9000, choose option 1 for IT support and follow the prompts
- Email itcschelp@berkeley.edu
- Go to blu.berkeley.edu and click on Campus Shared Services. Then click on “Submit Ticket Here”

### Purchasing IT-related products and services

1. Email your program approver (see next page) with detailed information on what you want to order.
2. The program approver will provide funding information and then forward to the program procurement lead, who is responsible for opening a ticket with CSIT.

The following items/services are handled by CSIT: desktop computers, laptops, tablets, smartphones, landlines, and printers. A CSIT tech will deliver the item(s) to your location and handle any necessary set-up or data migration. When selecting a new copier, CSIT recommends departments lease a copier through the UCSF/Berkeley print management program.

Note: CSIT support may be limited, or unavailable, if you choose to order non-JACS standard computers (JACS computers are the campus-recommended Mac and PC models.)
