**Fundraising Efforts and Priorities**

Recommendations

- Increase funding support for the work of AAPISC.
  - Community listening sessions
  - Campus-wide educational forums
- Work with AAPISC to develop a case statement(s) of AAPI community needs and commit to stewarding this with prospective and current donors.

**Discussion / Asks**

1. Support a proposal for dedicated physical space on campus for AAPI communities.
2. Commit institutional resources to support the co-pursuit of AANAPISI and HSI statuses.
3. Endorse the development and pursuit of a case statement(s) specifically for AAPI campus community needs, as well as identify and leverage ways to incorporate these needs within existing statements.
